

PLAYER GUIDE

Object of the game

To be the first player to collect five cards.

Playing the game

1. Shuffle all cards into one deck and place in the middle.
2. The youngest player goes first. The person on their left (the reader) draws the top card from the deck and asks the player to choose a question number between 1 and 3.
3. The player makes their choice and the reader reads aloud the chosen question.
4. The player decides whether this statement is **FACT** or **CRAP**. If the player answers correctly, they keep the card

and their turn ends. If the player answers incorrectly, their turn ends and the card is returned to the bottom of the deck. Play then moves to the left.

5. If an All Play question is drawn, all players except the reader have a chance to win the card by being the first to shout out the correct answer.
3. If a Rush Hour card is drawn, the player must correctly answer all three questions on the card to win it.
7. If a Wild Card is drawn, the player must follow the instructions, the Wild Card is returned to the bottom of the deck, unless it's a Free card.
3. The first player to earn five cards wins the game.
