Common Sense: Although some of these questions may paint a challenging, perplexing, or unappealing picture... they are NOT to be taken literally (**DON'T TRY ANY OF THEM!**) nor are they meant to offend... take them with a "grain of salt"... they are designed to make you think and engage in lively discussion. Feel free to skip questions that may make someone in the group uncomfortable. Regardless of your choice, please place yourself in the proper fun, social state of mind before playing "Would You Rather...?" **And remember, everyone should know that performing many of these actions could injure, disfigure, or even fatally harm you. Do not attempt any of this... it is for discussion purposes only.**

WOULD YOU RATHER...?™

Rules of Play (Option #1)

Start Of Play

- Each player draws one Question Card.
- Youngest player goes first.

Game Play Option #1

- Read a “would you rather” question out loud to the group.
 - Secretly make your choice by hiding the appropriate Choice Chip inside your closed fist ... Blue “#1” chip for the first scenario and Red “#2” chip for the second scenario.
 - One at a time ... each player then guesses what you chose. After all players have made their prediction, you (The Reader) reveal your choice by showing the chip in your hand.
 - Each player who guesses correctly is awarded a “Would You Rather” Question Card from the deck.
 - Play moves left and the next player becomes The Reader.
- NOTE:** On your turn, always read a question from one of our cards.

Winning the Game

You win after you successfully collect 6 “Would You Rather” Question Cards.
